EDUCATION

Bachelor of Computer Science - Software Engineering

Gharjistan University | Expected Graduation: 2027

Relevant Courses:

- Data Structures
- Algorithms
- Web Development
- Database Systems

Certificate of Achievement – English System (Q Skill for Success)

Nili Star Educational Center (NSEC) | October 2020 - February2022

I successfully completed the American English File System for Success program at Nili Star Educational Professional Development Center (NSEC), held from October 10, 2020 to February 13, 2022.

This program focused on developing core English language skills, including reading, writing, listening, and speaking. Through consistent attendance and strong academic commitment, I significantly improved my language proficiency.

This certificate was awarded in recognition of my dedication, academic effort, and successful completion of the program.

I am an English instructor with two years of experience in many defriend educational centers!
